

Welcome to the Former Sperry Remington Environmental Cleanup Sites Virtual Public Availability Session

All attendees are in listen and view-only mode by default...

1

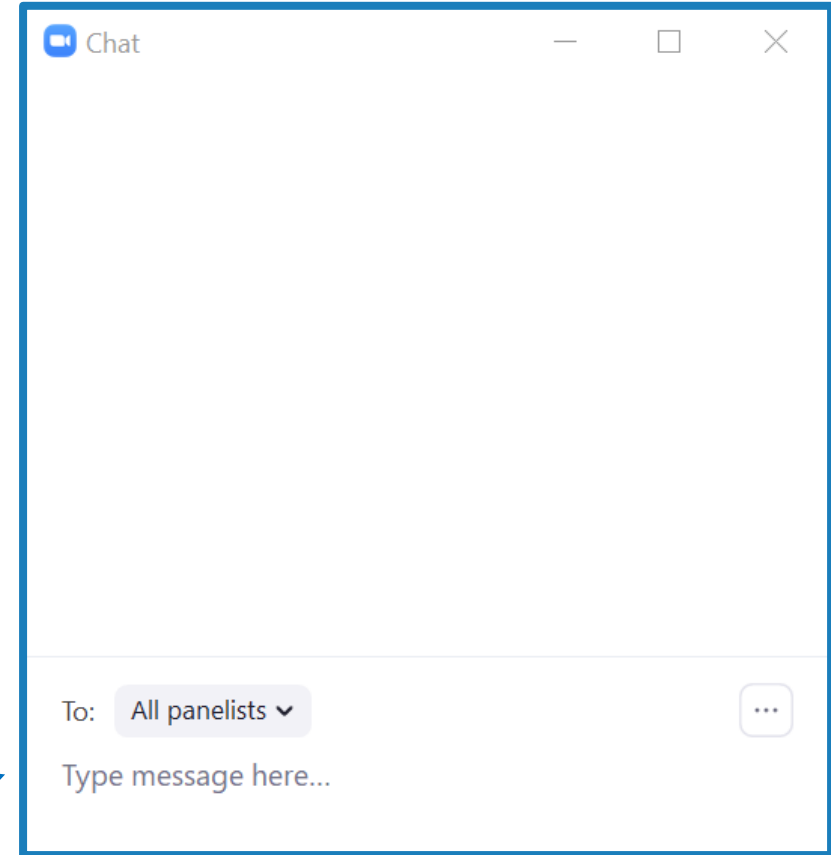

Chat: Use the chat feature to **type and send your question** to the panelists

2

Raise Hand: Use the raise hand feature and we will enable your microphone so you can unmute yourself to **ask your question aloud**

NOTE

The Zoom event will not include a formal presentation so please view slides and other information in advance on DEC's website <https://nysdec.woodweather.net>
